PROCEEDS GO DIRECTLY INTO THE CONCORD POLICE ASSOCIATION OFFICER EMERGENCY FUND

Eligibility: Open to all active, reserve and retired **LAW ENFORCEMENT AND FIREFIGHTERS!!!**

Rules: Derby begins at 0001 hours, October 23rd and concludes at 1800 hours, Friday November 6th, 2009. No fish caught before official starting time or after official closing time will be weighed in. A derby participant will weigh in no fish unless that participant caught the fish on his/her own pole. California Department of Fish and Game laws apply (one sturgeon and two bass per day). Any violation of Fish and Game Laws or derby rules may result in disqualification from prize eligibility and or up to a maximum of three years ineligibility from fish derby participation at the discretion of the rules committee. Rules committee decisions are final and may not be appealed. Ties will be broken by a toss of a coin.

Trophies and Prizes: Trophies will be awarded to the top entrants in striped bass and legal length sturgeon (**adhere to current DFG regulations for Sturgeon!**). Prizes will be awarded to the top ten entrants in each category. Participants may catch fish qualifying in both classes but will appear on the leader boards for their highest placing fish (either Sturgeon or Striped Bass). With declining fish populations we are switching to a more conservative approach for Top Fisherman. This year the **top fishermen prize will now be awarded to the person who catches the 2 largest Striped Bass (minimum weight 5lbs each) and largest Sturgeon combined weight.** This is to award the fisherman who displays a well rounded fishing knowledge and expertise. Top agency prize will be awarded to the top three fishermen (not guests) representing the combined weight of their 2 largest Striped Bass and 1 Sturgeon. Basically each team can have up to 9 fish assisting their team. Prize categories will be Striped Bass 1-5, Sturgeon 1-5, Top Agency, Biggest Guest Bass and Biggest Guest Sturgeon.
